MIRACLE BIBLE TRAINING CENTRE PROSPECTUS - INTRODUCTION

Equipping all believers for the work of ministry

Dr. André and Nola Pelser founded MBTC after many years of study, life experience, church planting and missions. They have reached close to 100 nations around the world with the eternal Gospel of the Kingdom. They felt a need for a university that would fully equip believers for accurate lifestyles in the Kingdom of God. Most Bible Institutions train people only for the full time ministry, neglecting the other 90 % of the church's workforce. Believing everyone is called into the ministry, but in different roles and capacities, led the founders to train believers for their specific work of ministry.

Vision of a Spirit filled University

In 1989 Dr. Andre Pelser had a vision of establishing a spirit filled university, where students could be equipped for their life's work. As a foundation for the university, he felt inspired to establish a Biblically patterned lifestyle course centred on the life of Christ, following in His footsteps. MBTC has the Word of God as foundation, training disciples to hear from God (revelation knowledge) by developing a spiritual ear.

Every believer functioning

We believe that this present generation has the spiritual technology to truly finish the work Jesus Christ began - seeing the manifestation of the true sons of God in the earth, in every walk of life. The church being the equipping centre for every believer functioning in the corporate body ministry of Christ.

Prophecy that drew Apostle André Pelser to MVBC

Miracle Valley

God said through various persons from many parts of the world through prophecy:
 'This is My valley. Here I have called My people. Yea, I have ordained it. When I laid the foundations of the world, I made this valley. Yea, I did walk in it, from mountain to mountain. From this valley My chosen shall go forth in My strength and My power unto the ends of the earth to carry My Gospel of salvation and deliverance confirmed by signs, wonders and miracles. They shall minister to the heathen.

***“For here I shall walk with them and talk with them as with the apostles in days gone by. Here as they wait before me, they shall know the land where unto I have called them and the work which I have called them to do. From here they shall go to the ends of the earth to preach My Gospel with signs and wonders.”
We earth this Prophecy for MBTC Students today!***

On 21 January 1973 I read that prophecy on the back cover of a Miracle Long Playing Record and it drew me to Miracle Valley. I realised it was exactly what I needed in my life as a 21 year old.

I sold my brand new car and used the money to purchase an air ticket and pay for my studies at MVBC in Arizona.

I sat under the feet of Dr. Gray, Dr. Oldfield, Sven Blomberg and various other teachers who taught me the Gospel of the Kingdom of God and emphasised prayer through meditation, focussing on the inner life teachings of people like Madame Guyon, Mrs. Martha Wing Robinson, Dr. Waldvogel and others.

God reminded me of the prophecy that drew me to Miracle Valley Bible College, Arizona (USA) “He is the light and it is written ‘in Him there is no darkness at all’. I wrote it in my Bible: ‘Here as you wait upon me in holiness, circle after circle (ever increasing), as we (wait on Him in this valley) I will walk in fellowship and talk with you as with the ‘Light-apostles’ of Life. Sinners walk about in ever increasing circles (old nature)...’ That same prophecy applies to all our students here at Miracle Bible Training Centre. People who base their entire philosophy upon the basis of sin become bolder to sin! On the other hand, we can grow in His light in ever increasing concentric circles. What I had gained by attending that College in the desert as a 21 year old!

Dr Roy M Gray gave Apostle Andre Pelser the permission to continue with the material that is taught concerning Life of Christ and other Books of the Bible.

That prophetic encouragement lives on in Miracle Bible Training Centre Cape Town today!

“Saints from the around the world are being equipped by the five-fold ministry gifts to function and do the work of the ministry.”

“MBTC is training Missionaries of the Gospel of the Kingdom”

MBTC is the training division of Harvester International Ministries that reaches close to 100 nations with the Gospel. Church planting and the establishment of Bible Colleges with Apostolic Perspective is the main focus of HIM and there are Harvester Churches globally with MBTC Satellites in their localities from the UK through Uganda, Côte d’Ivoire, and South Africa and soon in the Far East. Pray about your role in this move of God’s Spirit.

Behold

"Theaomai is to behold, view with attention, contemplate and expresses a feeling of wonder and amazement as well as admiration". Our word 'theatre' comes from 'theaomai'. Walking with Jesus and seeing what He did was like being in a continual theatre or watching a spectacle unfold before your eyes, every day! God wants us to experience the Life of Christ is the same way apostle John and the other apostles did! Through our Drama training we prepare the next generation of Acting Prophets!

I John 1:5

I John 2:6 & 15

I John 3:3-10

"Christ is being formed in the people."

The emphasis of the training is to see Christ formed in people. The Subject entitled "Life of Christ" by Dr. Roy M. Gray is a superb way to harmonize the Gospel accounts and to study Jesus' life one journey at a time.

Jesus Christ is the total concept of God seen through a human medium. He lived his earthly life in the power of the Holy Spirit, just as we are supposed to. He came to show us the way to live by the power of the Spirit with simple faith in our heavenly Father.

Choose your sphere

We choose the sphere we want to walk around in (**peripateao**): either sin or holiness, either darkness or light. We develop habits to develop sin or increase the patterns of holy living in our lives. The theme of the first epistle of John is 'The Saint's Fellowship with God.' The words having fellowship with one another implies that it is a two-way street: there is a reciprocity: when we have fellowship with God he has fellowship back with us!

He manifested the life of God on earth. The word for manifest, '**phaneroo**' is to make visible what has been hidden or unknown before. God's nature became visible through the greatest life ever lived, the Life of Christ Jesus. He made the life God intends us to live visible to the human race through becoming human and walking amongst men. He is the Word of Life that became flesh.

STUDY OPTIONS

A. Full Time Theology

A **full time Student** will complete the MBTC **"Theological Learning Components"** that last two years. Such students will participate in all the special events and Student duties, which include Children's Church Work and Outreaches in conjunction with Harvester International Ministries. Compulsory to all *full time* students is also the PRODUCTION CLASSES assuring a well-rounded education in life skills and presentation.

Production Class

Miracle Bible Training Centre offers students the unique opportunity to learn from professional musicians, actors, directors and dancers who have dedicated their lives to spread the Gospel through the performing arts. Due to the format of the Bible Training, the curriculum includes a "Production class" which is compulsory for all full time MBTC students to attend. In these classes the following valuable skills are learned: voice production; mime; movement and dance; acting prophecy as well public speaking. Team work is emphasized as each new group is challenged to perform each term at the MBTC Concert in front of a capacity crowd. Past students testify of overcoming fear of man, and moving out of their comfort zone of expression and MBTC students have won awards, appeared on television and worked as performing artists corporately as a result. More importantly, these production classes have presented the Gospel to a new generation in a fun and meaningful way. Look out for an MBTC production in a local church, school or theatre near you! Over the years we have seen the enrichment and enhancement of life skills that these classes have provided to all students and apostle Andre decided that al I should have the privilege of attending such classes. It's time to get on stage for Jesus!

Apostolic and Prophetic Training

Apart from the fact that resident MBTC lecturers are apostles and prophets who function in their offices in the body of Christ locally and globally, students will also be exposed to guest Five Fold ministers from around the world.

During the year, Harvester International Ministries will host apostolic and prophetic conferences and summits, which will give advanced training in the prophetic and apostolic functions in the church today. Students will automatically register for such events and will participate in the arrangements of such conferences.

This is a very important course for those who want to operate more in the gifts of the Holy Spirit, specifically those who feel called into the prophetic function.

All **part time students** who take Theological subjects during the day at MBTC will be grouped with the Full Time students in the aforementioned activities and will therefore be treated as full time students as well, to avoid alienation that may result from part time studies. Such students may only be excused if they supply a written excuse to the Dean of Studies, who will decide on the matter in advance of any such activities. Such students would not have access to the specialized Performing Arts training.

Bible Cells or Night School

On selected evenings, subjects are presented for those who cannot attend class in the morning. People who work during the day can plan their Bible study in the long term. Some students have completed the Full time Bible Course over 5 - 10 years.

Registration is payable per term or per year, forfeiting most of the day school privileges but graduation fees and the MBTC Dinner are covered.

Part time classes for Performing Arts

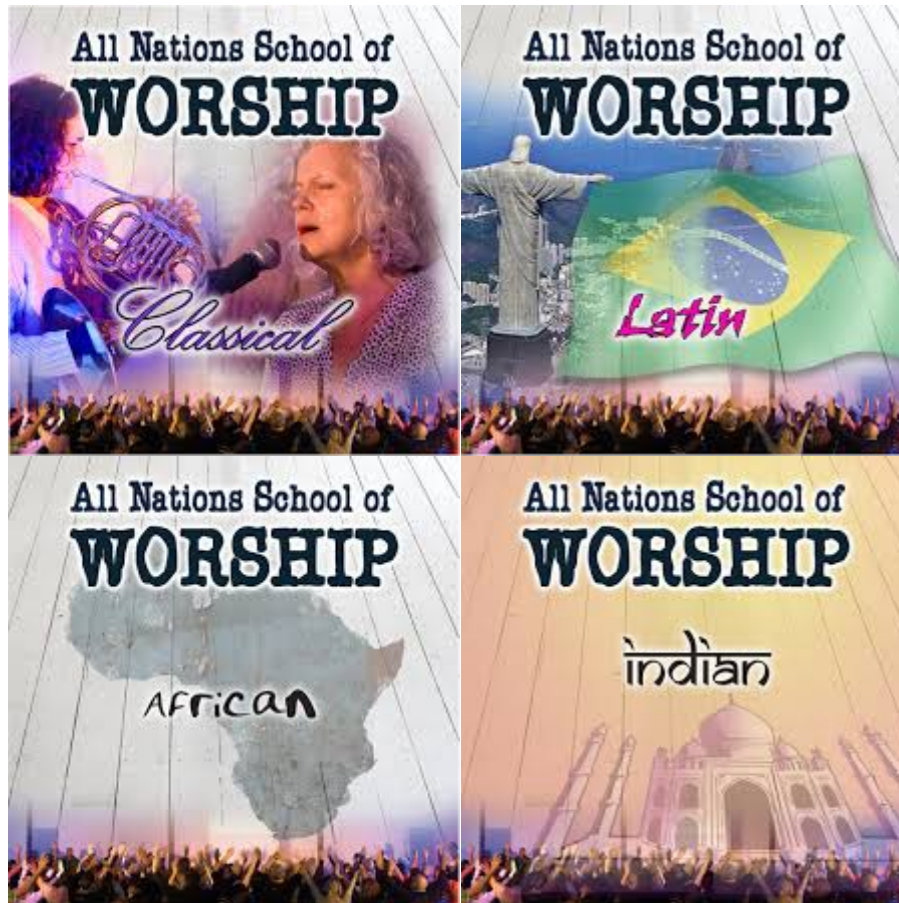

MBTC provides part time technical classes for Drums, Piano, Vocal, Music Theory, Dance and Mime. Tony Egwu, Nigeria

It repositioned my life, beliefs, attitude and understanding

Belinda Sijaji, Zimbabwe

I have learned the Kingdom of God is within. The short and easy method of prayer made my prayer life easy. I can practice the presence of God. I was taught that righteousness is in believing and I now live in peace knowing that I can please God by believing on the finished work on the cross.

Helen Sauerman, South Africa

It has given me the means to apply the Word practically in my life. MBTC has renewed my mind about who I am in Christ.

Nonceba, South Africa

God is using me to help others. I learned to be obedient.

Emma, Congo

Through MBTC I found my function in the ministry and I thank God for opening ways for business to support my family.

Ivan, French African

I have learned to have a finishing mentality.

Daniel Louw, South Africa

I got more understanding and feel firmer in what I believe so that I can teach the Word as well and defend what I believe.
