EXECUTIVE SUMMARY

ONE Harvest is the global collaborative movement of Harvester International Ministries (H.I.M.), a Christ-centred apostolic network committed to establishing strong churches, forming mature disciples, and extending the Gospel of the Kingdom to the nations. Rooted in the Great Commandment (love God and people) and the Great Commission (make disciples of all nations), the movement operates with a unified vision to see Christ formed in believers and His Kingdom expressed in families, churches, regions, and nations.

1. Core Mission

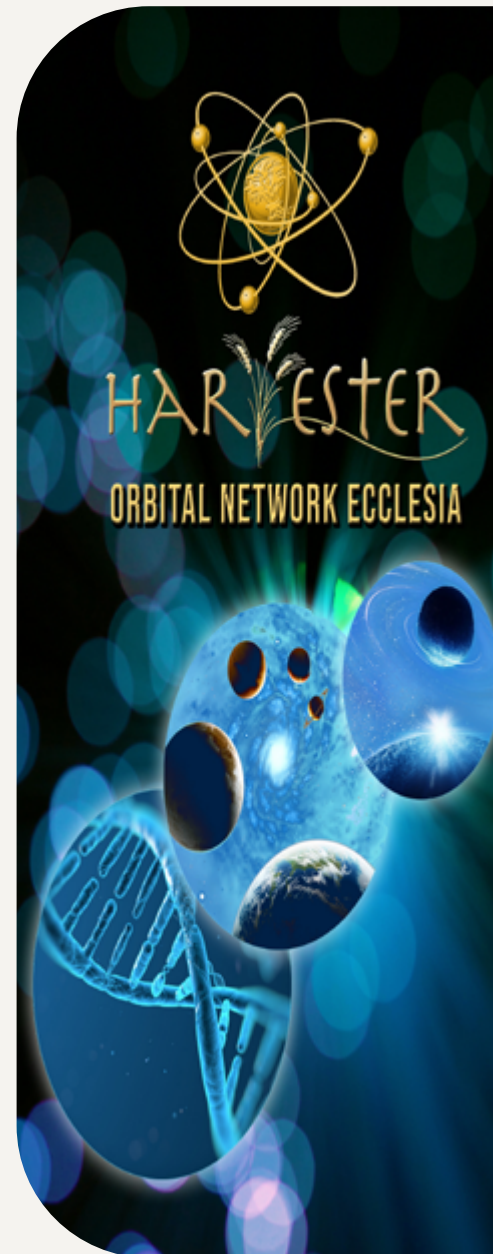

H.I.M. exists to: Love God and humanity, expressing Jesus Christ's nature through discipleship, fellowship, worship, and service.

Make disciples globally, using biblical foundations (Acts 2:42), apostolic doctrine, and practical ministry training.

Build Christ-centred churches, structured relationally rather than hierarchically.

Advance the Gospel of the Kingdom (Romans 14:17), emphasising righteousness, peace, and joy in the Holy Spirit.

The movement's aim is not merely expansion, but reformation—a

continual alignment with scriptural truth and the original blueprint of Jesus for His Church.

2. Vision Framework

The vision of ONE Harvest is expressed through three foundational imperatives:

A. Commanded to Love

The Church demonstrates discipleship through love, care, and the building of strong Christian community - especially through Harvester Households, which serve as relational hubs for communion, mentorship, healing, and practical growth.

B. Commissioned to Go

Through global missions, evangelism, and leadership development, ONE Harvest has already reached more than 120 nations. The movement actively trains and sends believers into local and international fields.

C. A Global Galaxy of Churches

Instead of traditional top-down structures, Harvester operates through an Orbital Network Ecclesia - interconnected churches, ministries, and leaders that revolve around Christ as the centre.

Each believer and leader finds an “orbit of function” where gifts can flourish sustainably.

3. Strategic Priorities

To advance its mission, ONE Harvest focuses on:

i. Strengthening Local Churches

Increasing Harvester Households for discipleship

Weekly worship, teaching, and prophetic flow

Practical orbits of function for service and ministry development

ii. Establishing Regional & Apostolic Councils

Regional Conquest Councils support churches, harmonize doctrine, and improve cross regional collaboration.

The Apostolic Council provides spiritual oversight and doctrinal continuity.

iii. Unified Discipleship System

The ONE Discipleship Growth Path simplifies and standardizes spiritual development across all nations:

Convert. Commune .Commission. Repeat

4. Miracle Bible Training Centre (MBTC)

MBTC is the official training engine of the movement, delivering:

Foundational studies

Fivefold ministry development

Global online courses

Satellite campuses across continents

This ensures doctrinal accuracy and long-term continuity.

5. Collaboration & Resource Integration

Through shared media, teaching materials, digital portals, and joint events, ONE Harvest creates a unified “sound” and a global identity rooted in Christ. We need to operate in a funnel system of directing all forms of social and written media towards local churches. This is driven through #hashtag mentions of churches and ministries, current followers, and then further through membership reposting important church relevant information to reach a wider footprint of current non-followers.

We support book launches, bible training and media productions of regional councils.

6. Governance & Accountability

Harvester’s approach to governance emphasizes:

- Mutual submission with operational autonomy

Churches retain unique identity while aligning shared doctrine and values.

We are raising up local Bishops who will care for regional councils and implement the ONE Harvest Strategy in geographical and spiritual hubs.

- Clear financial protocols

Biblical stewardship, transparent reporting, and accountability structures are implemented across all churches. Compliance with local laws is emphasized and executed by directors of local autonomous Non-Profit Companies and Ministries.

- Doctrinal unity through Apostolic Perspective

All teaching and new courses are reviewed to ensure alignment with the New Covenant and apostolic doctrine.

Combined, these provide both spiritual covering and practical integrity across nations.

7. Worship, Prayer & Prophetic Direction

Worship and prayer are central functions of the movement, incorporating:

Fivefold expression in worship in Spirit and Truth.

Prophetic proclamation

Holy convocations (corporate gatherings for instruction and alignment)

Prophetic plumb-lines for discernment and spiritual warfare

Regular worship events restoring the Tabernacle of David in a New Covenant context. Acts 15:16,17

These gatherings help synchronize the global body and maintain spiritual sharpness.

8. Global Expansion & Future Outlook

With a rapidly growing network of churches across Africa, Asia, Europe, and the Americas, ONE Harvest is actively establishing:

New regional convocations

Leadership cohorts and bishops for emerging regions

Expanded MBTC hubs

Business Orbit initiatives for sustainable kingdom impact

Enhanced reporting systems for organizational insight

The vision is to see a thousand churches thriving relationally, doctrinally aligned, and collaborating to bring in the global harvest.

9. Guiding Values

Across every region and ministry expression, the movement is driven by:

Christ-centredness

Love and Unity

Meekness and Humility

Sound doctrine and accuracy

Discipleship and personal transformation

Integrity, accountability, and excellent Spirituality

Global collaboration under one spiritual sound

These values anchor the mission and shape the culture of the entire network.

Conclusion

Harvester International Ministries networks through affiliated movements, which we describe as ONE Harvest, an Orbital Network Ecclesia. ONE Harvest is a global apostolic movement committed to forming mature believers, building strong local churches, and collaborating across nations to advance the Gospel of the Kingdom. Through relational networks, biblical training, strategic councils, and the power of the Holy Spirit, the movement provides a sustainable, scalable model for global discipleship and church growth—always keeping Jesus Christ at the centre.

"Commissioned to Go and make disciples.
Commanded to Love God and humanity."

Apostle Aje Pelser

Apostle Aje Pelser's messages focus on practical Christian living, Kingdom principles, and global missions. They are designed to bring about "well-structured changes and reforms of heart and mind"

in believers. His style is described as apostolic and teaching-oriented, focusing on equipping believers for ministry and life. His sermons are often part of a series (e.g., "Origins of Faith," "Anointing") and use a combination of biblical exposition and practical illustrations, such as management models or sports analogies, to help people apply the Word of God to their daily lives. He aims to inspire and equip people to be agents of change in their spheres of influence. Insert: Aje and his son Ethan Immanuel Pelser.

Prophet Chantal Pelser

Chantal has transformed Miracle Bible Training Centre into an online learning resource and created a new tutor system of discipleship based on the foundational truths in this move of God. She is an anointed teacher of the Word and has helped many churches through creating resources and curricula for the children's church and youth. Chantal is also an anointed prophetic worshipper that teaches and releases spirit and truth worship. Chantal Pelser's live and recorded worship songs carry a rich tapestry of spiritual themes, often rooted in prophetic expression and deep intimacy with God. Aje and Chantal have three children, Cherie (above), Ethan Immanuel and Zoe, all of whom are involved in ministry and creative arts.

Teacher Dale Collins

What a privilege to have Teacher Dale Collins as part of Harvester Cape Town. He has decades of corporate experience that he has enhanced with his faith-filled teachings on financial stewardship. He has also blessed us with his musical gifts as a Psalmist, releasing an amazing collection of songs that he and the late Apostle Leigh have written. The three Collins brothers in unity have brought tremendous blessing to the Harvester family. Teacher Dale serves as an area leader for Durbanville and he develops believers through carefully planned teachings that he has expanded from Miracle Bible training Centre.

Prophet Nola Pelser

Prophet Nola Pelser is a founder and director of Harvester International Ministries, which she established with the late Apostle Andre Pelser, and is recognised as a pioneering prophetic voice, worship leader, and spiritual mother within the Harvester movement. Together they helped lay the foundations for a global apostolic ministry, church network, and Miracle Bible Training Centre, with a vision centred on Christ, discipleship, worship, and the extension of God's kingdom to the nations.

Nola is also known for her rich legacy in prophetic worship and music. Public ministry profiles describe her as a prophet, psalmist, songwriter, counsellor, mother, and grandmother, with a calling to lead people into the presence of God through deep worship. Pastor Couple Tour to Israel

Pastors Willie and Wena Botha of Harvester Reformational Church, Graafwater, had a supernaturally sponsored trip to Israel amidst threats of bombing and anti-semitic attacks. God really paved the way for an incredible mission where they represented South Africa at a World Summit to negotiate a way forward for Christian-Israeli collaboration. Their children, Timothy and Faith, blessed us with beautiful spirit and truth worship.

Discipleship

Spiritual Nutrition for LIVING!

By Prophet Chantal Pelser

Since our transition to digital learning in 2020, we have Graduated over 250 online students in 6 different countries. Nearing the time of occupation of our permanent premises in Burgundy Estate, there is groaning in anticipation of how the Lord may expand our tent pegs to incorporate multiple levels of Bible training and internships.

"For the times they are a-changin'" - Bob Dylan's words ring true for many colleges like us. As we have steadfastly continued to serve, it has come to our attention the incredible battle that exists in pursuing personal engagement. Technology did not only make it possible to reach farther afield, but it has brought with it the increasing demand for quicker, easier and more user-friendly ways to be reached. Today on social media, the individual will take 3 seconds to decide to engage in a post or a video or a short. The average attention span of the scrolling individual is now 2 seconds.

The picture I would like to draw in your heart is that of a multi-level supermarket. The world is filled with glitzy and ear-tickling marketing strategies to promote its wisdom and knowledge. As eye-catching and stimulating it is to our senses, we may find that once a product has been purchased, it has only fulfilled the immediate needs of the starving spirit and thirsty soul. Self-help strategies will take us a few yards into a new path and then disappear from view.

"Information will be cheap, but impartation will become scarce", our founder's words echo. The prophet Daniel prophesied that knowledge would increase and was warned by God to shut His words and to seal it in a book. Jesus Christ remains our sole and sanctified standard as we seek out the signal of Truth in-between the noise in the world. As believers let us continue to seek out His Words for our lives, continue to uphold the standards of prioritizing sound doctrine, regularly interact with the Word of God, to be able to walk in soberness of mind. The Word of God is still applicable to us today.

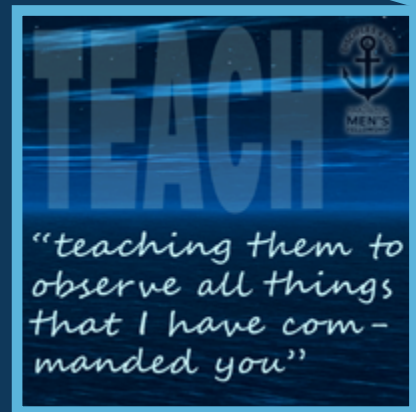

For 2025, we have curated subjects according to spiritual Nutritional values. With these, we have added the new course Building positive Strongholds, Renewal of the Mind and New Creation Realities in Chichewa and have updated videos for the Life of Christ Module 4. MBTC is also releasing the newly formatted Life of Christ for Kids in Teachers and Student manual.

John 3:16 For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.

3. Jesus Christ paid the price to reconcile us with God

God made Jesus who knew no sin, to become sin on our behalf so that we can be the righteousness of God through Christ. Without the shedding of blood there is no remission of sin. Jesus shed His precious blood to pay the ransom for our souls and to redeem us from hell. If anyone believes in Jesus Christ and accepts His sacrifice for our sins, he receives power to become a son of God.

Rom 5:8 But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us.

Joh 14:6 Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through Me.

2. Sin has separated man from God.

God's hand is not short that He cannot help, nor is His ear deaf that He cannot hear, but our sins have separated us from God. The end of sin is death: eternal separation from God. Sinners are destined to be under condemnation of hell fire. There is none righteous, not even one, but the gift of God is eternal life through Christ Jesus.

Rom 3:23 for all have sinned and fall short of the glory of God,

Rom 6:23 For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.

4. By believing in Jesus Christ you can be reconciled to God

If you believe in your heart that God raised Jesus from the dead and confess Jesus as Lord with your mouth, you shall be saved; for with the heart we believe unto righteousness and with the mouth confession is made unto salvation. There is no time like the present. When you hear His voice, do not harden your heart.

John 1:12 But as many as received Him, to them He gave the right to become children of God, to those who believe in His name:

Act 16:31 So they said, "Believe on the Lord Jesus Christ, and you will be saved, you and your household." Accept Jesus Christ as your Lord and Saviour right now.

PRAYER

Pray this prayer and believe that God hears and answers your prayer:

'Dear Heavenly Father, I come to you in Jesus' Name. Forgive all my sin and cleanse me from all unrighteousness. Make me a child of God. Give me your Holy Spirit to lead and guide me into all truth. I confess Jesus Christ as my Lord. Amen.'

1st Meeting @ Church

Time to Rejoice!

It is time to rejoice! We thank the Lord that it is time to enter our new place of worship and we are going to praise Him for 7 days culminating in the ONE Harvest Conference on the 4th of July 2026.

Purpose

The building is located in Burgundy Estate near Cape Town, where we have a vibrant community of young families. A multi-functional church building will help us serve the community and fulfill many of their needs. It will also become a beacon of light and hope for those in need of Jesus.

The Church Building was designed to have multiple functions:

- Place of Worship for the church community
- Conference facility
- Community library
- Broadcast and studio production facility
- Music and Arts tutor centre
- Tutor Centre for educational purposes
- Community Café
- Youth development centre
- Miracle Bible Training Centre facility
- Assembly hall for local schools

Challenges encountered 2017-25

Building is never easy. In the beginning we tried to secure loans to get the building project done quickly, but we soon learned that banks were not willing to help. We then set out to build with cash, knowing that the project would take longer. Some of our partners offered to loan funds for the building, but because

of the prolonged timelines, some called in their loans before the building was ready for occupation.

Milestones achieved

2024-2025 Plumbing; Electrical; Stage and Studio built.

Through the Lord's grace we continued to build in the face of obstacles, with the clear goal of obtaining the occupancy certificate from the building inspector.

The Lord has helped us overcome the stumbling blocks and turn them into milestones

Rise and Build

By Apostle Aje Pelser

Any builder needs inspiration. That initial breath of enthusiasm sustains you throughout the building process and spreads to those who accept the challenge to build a legacy of faith both physically and spiritually. Honoring those who encourage you and advise you along the way, helps to remind you that building a place of worship is a team effort, ordained by God.

In this book, learn how to dream your vision and write your plans. Develop your team and identify craftsmen who will specialize and finish the building.

Included in the book is a glossary of building terms to map out the necessary phases of building a public place of worship in a South African context.

"Building includes rubble. If you can make peace with that, then you too can build!"

Christ Culture

By Bishop Sam Ngwira

“When you emigrate to another country, you are schooled in the culture of that nation. You have to pass tests and learn, how they work. You become a citizen of that country and each country is different. You learn the way they do things, what they eat, so if you get born again into the Kingdom of God, you have to learn the Christ Culture. You have no option if you want to operate in it. And it is wonderful to see us related to people from different regions of the earth and it’s like they are brothers, we have known them all our lives. Christ culture removes that stranger feeling, that dividing wall but we are one in Christ.” Sam Ngwira

Bishop Sam has faithfully worked alongside Apostle Aje Pelsers for two decades, helping to administrate the African affiliated Harvester Churches and partners.

His insights into the local perceptions of culture and the need for reformation qualifies him to write about the Christ culture for our generation.
